Behavior & Safety Handling *	- -	\$50 per booking
Wrap Fee **	- -	\$5 daily

*Behavior & Safety Handling is specific to dogs who are very aggressive or have excessive behavior problems that require additional staff management. While this is primarily focused on grooming clients, there are some instances we may apply this to boarding.

**This add-on may be applied at staff discretion. The fee applies on days a dog requires a belly wrap or diaper due to indoor marking behavior and covers wraps or diapers, absorbent liners, additional monitoring, cleaning, and sanitation. *Owners may choose to provide their own wraps or diapers to avoid the fee.* While many dogs do not exhibit marking behaviors at home, it is not uncommon for visiting dogs to begin marking in a new environment, and this policy allows us to maintain a clean, safe space for all dogs in our care.
